## PRINTING:

These prints are formatted to print at a finished size of 8"x10". Print on good quality card stock, trim along the crop marks and your prints are ready to go!

These may be printed at home or at a local print shop. If your home printer isn't up to snuff for printing art work, most local print shops will be able to print these out for less than a \$1 a page on cardstock.

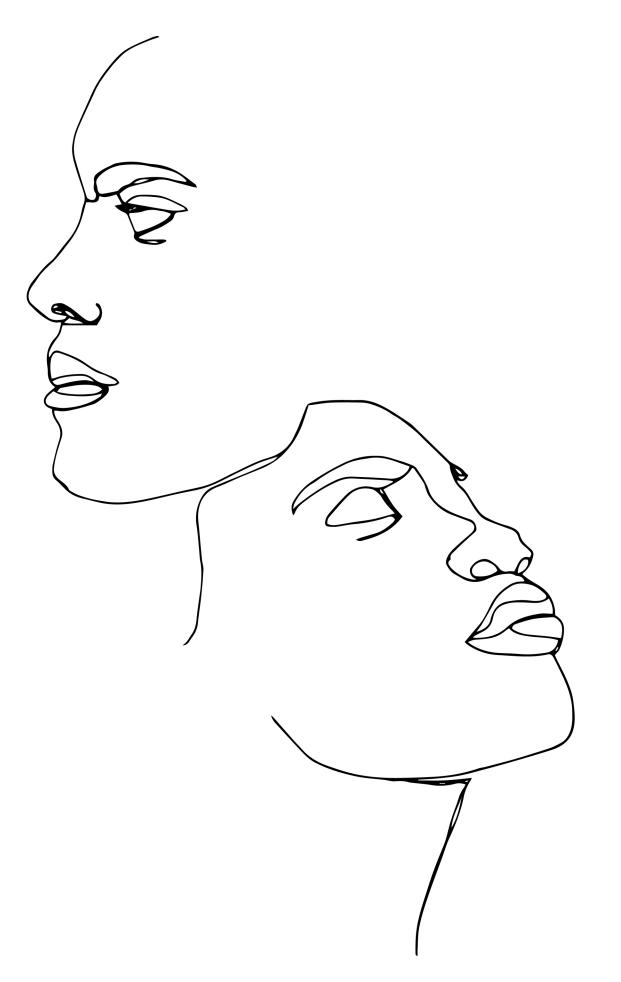

NOTE: Do not choose "fit to page." The sizing may be distorted if you choose to "fit to page." Instead, choose "Actual Size" to get the accurate sizing.

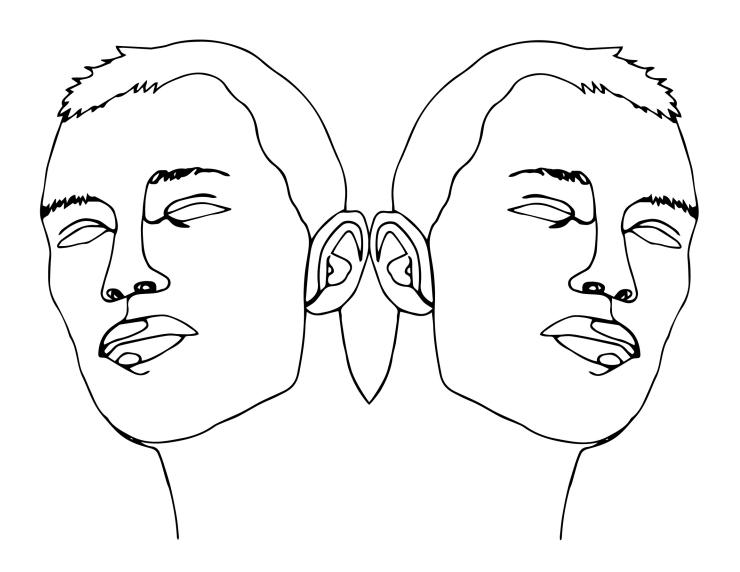

This printable is for Personal Use Only. Do not re-sell or re-stribute. Not for commercial use.
