PDF INCLUDES:

- Printable 8x10 and 18x24 art prints
- Printing instructions

PRINTING:

These prints are formatted to print at a finished size of 8"x10" and 18"x24". Print the smaller print on good quality card stock, trim along the crop marks and your prints are ready to go!

For the poster size print, you'll need to take this file to your local printer. If your home printer isn't up to snuff for printing art work, most local print shops will be able to print these out for less than a \$1 a page on cardstock for the 8"x10" size, or as an engineer print for the 18" x24".

NOTE: Do not choose "fit to page." The sizing may be distorted if you choose to "fit to page." Instead, choose "Actual Size" to get the accurate sizing.

This printable is for **Personal Use Only**. Do not re-sell or re-tribute. Not for commercial use.
