PRINTING:

This print is formatted to print at 8 x 10" and includes crop marks. Just trim along the crop marks and this bad boy will fit in any standard picture frame!

This may be printed at home or at a local print shop. If your home printer isn't up to snuff for printing art work, most local print shops will be able to print this out on their printers for less than a \$1 a page.

NOTE: Do not choose "fit to page." The 8 x 10" size may be distorted if you choose to "fit to page." Instead, choose "Actual Size" to get the most accurate size.
